

ESTONIA'S GOALS FOR THE PROJECT

- TORE students and teachers carry out the break time activities
- Practical and realistic ideas for the break time
- The tool kit for pupils and teachers to use
- Health enhancement activity plan
- Survey has been carried out to measure the current situation and compare it with the result at the end of the project
- We have increased the involvement of students and parents
- We have increased the knowledge and involvement of the teachers
- It is a sustainable project – we continue the cooperation and idea sharing
